

Safety 53 CO₂ 3Kg Fire Extinguisher

Model No: CO2-3KG | Made in China

Compact & Reliable Fire Protection for Electrical and Flammable Liquid Fires

The Safety 53 CO₂ 3Kg Fire Extinguisher is a powerful and compact firefighting solution designed for offices, workshops, server rooms, and industrial spaces. Using compressed Carbon Dioxide (CO₂), it rapidly extinguishes Class B (flammable liquids) and electrical fires without leaving any residue, making it safe for sensitive electronic equipment and areas requiring clean fire suppression. Built with a high-pressure, corrosion-resistant cylinder and equipped with an ergonomic discharge horn and squeeze valve, this extinguisher delivers precision performance and dependable protection during emergencies.

Specification	Details
Model	CO2-3KG
Extinguishing Agent	Carbon Dioxide (CO ₂)
Capacity	3 Kg
Fire Class Rating	Class B (flammable liquids), Electrical Fires
Operating Pressure	High-pressure CO ₂ system
Discharge Time	Approx. 10–15 seconds
Effective Range	Wide coverage for efficient suppression
Cylinder Material	High-strength, corrosion-resistant Steel
Valve Material	Heavy-duty horn with controlled flow
Mounting Type	Wall Bracket
Country of Origin	China

Applications

- 

Data Centers & Server Rooms
Ideal for sensitive electronic and network equipment — leaves no residue.
- 

Electrical Substations & Control Rooms
Prevents fires without causing electrical or surface damage.
- 

Large Offices & Corporate Buildings
Provides dependable protection for electrical fire hazards.
- 

Laboratories & Chemical Storage Areas
Effective against flammable liquids and chemical fire hazards.

Key Features

- 3Kg CO₂: For electrical & flammable fires
- No Residue: Safe for electronics
- Durable Cylinder: Industrial strength
- Horn & Valve: Precise control
- Corrosion-Resistant: Long life
- Wall Bracket: Easy mount
- Ready to Use: Fully charged

How to Use – PASS Method

P – Pull: Pull the safety pin to unlock the extinguisher.

A – Aim: Aim the nozzle at the base of the fire from a safe distance.

S – Squeeze: Squeeze the handle to release the extinguishing powder.

S – Sweep: Sweep from side to side until the fire is completely extinguished.

Why Choose Safety 53 CO₂ Fire Extinguishers

- **Safe for Electrical Equipment:** Perfect for offices, IT spaces, and control rooms.
- **Residue-Free Operation:** Leaves no mess, ideal for precision equipment.
- **Quick-Action Discharge:** Suppresses fires instantly and effectively.
- **Durable & Corrosion-Resistant Build:** Made for long-term reliability.

Safety & Maintenance

- Store upright in a cool, shaded, and dry location.
- Inspect pressure seal and safety pin monthly.
- Keep away from direct sunlight, heat, and high humidity.
- Avoid touching the discharge horn during operation (can cause frost burns).
- Arrange annual inspection and maintenance by an authorized professional.

Product Summary

Feature	Description
Product Type	Portable Carbon Dioxide (CO ₂) Fire Extinguisher
Brand	Safety 53
Use For	Electrical & Flammable Liquid Fires
Status	Fully Charged & Ready to Use
Mounting Option	Wall Bracket Included

Stay Protected – Choose Clean, Efficient Fire Safety

Invest in the Safety 53 CO₂ 3Kg Fire Extinguisher — the trusted, residue-free solution for electrical and flammable liquid fire protection.

Quick to act, clean to use, and built to last — your first line of defense in any emergency.
