

Safety 53 DCP/ABC Fire Extinguisher – 12Kg

Model No: DCP-12KG | Made in China

Heavy-Duty Fire Protection for Industrial & Commercial Safety

The Safety 53 DCP/ABC 12Kg Fire Extinguisher is a heavy-duty unit built for factories, warehouses, and commercial sites. Using Dry Chemical Powder, it quickly tackles Class A, B, and C fires. Made from corrosion-resistant steel with a pressure gauge and wall mount, it ensures durability and reliability.

Specification	Details
Model	DCP-12KG
Extinguishing Agent	Dry Chemical Powder (DCP/ABC)
Capacity	12 Kg
Fire Class Rating	Class A (solids), Class B (liquids), Class C (gases)
Operating Pressure	Standard working pressure for effective discharge
Discharge Time	Approx. 30–40 seconds
Effective Range	Covers a wide fire suppression area
Cylinder Material	High-Strength, Corrosion-Resistant Steel
Valve Type	Metal Control Valve
Mounting Type	Wall Bracket
Country of Origin	China
Cylinder Body	Made with Inner Coating

Applications

Commercial Buildings & Offices
Provides reliable protection for workplaces and business environments.

Warehouses & Storage Facilities
Safeguards large inventory and flammable materials.

Factories & Manufacturing Plants
Essential for high-risk operational areas and heavy machinery.

Fuel Stations & Chemical Storage Areas
Effective against flammable liquids and volatile substances.

Key Features

- 12Kg DCP Capacity: Ideal for large fire emergencies
- Multi-Class Use: Handles Class A, B & C fires
- Durable Steel Body: Built for industrial use
- Pressure Gauge: Quick readiness check
- Wall Mount: Easy storage & access
- Extended Range: Covers large areas
- Ready to Use: Fully charged & pressurized

How to Use – PASS Method

- P – Pull:** Pull the safety pin to unlock the extinguisher.
- A – Aim:** Aim the nozzle at the base of the fire from a safe distance.
- S – Squeeze:** Squeeze the handle to release the extinguishing powder.
- S – Sweep:** Sweep from side to side until the fire is completely extinguished.

Why Choose Safety 53DCP Fire Extinguishers

- **High-Capacity Protection:** Designed for major fire emergencies in large areas.
- **Versatile Use:** Combats multiple fire types — solid, liquid, and gas fires.
- **Rugged & Reliable:** Heavy-duty steel body ensures long-lasting durability.
- **Cost-Effective Safety:** Easy to maintain and refill, offering long-term value.

Safety & Maintenance

- Inspect pressure gauge monthly to ensure full charge.
- Keep extinguisher mounted upright and easily accessible.
- Avoid exposure to direct sunlight and extreme heat.
- Recharge immediately after use or if pressure is low.
- Schedule annual inspection and servicing by a certified technician.

Product Summary

Feature	Description
Product Type	Portable Dry Chemical Powder (ABC) Fire Extinguisher
Brand	Safety 53
Use For	Class A, B & C Fires
Status	Fully Pressurized & Ready to Use
Mounting Option	Wall Bracket Included

Ensure Maximum Protection with Fire Killer Industrial Fire Safety

The Safety 53 DCP/ABC Fire Extinguisher (12Kg) offers unmatched fire suppression performance for factories, warehouses, and large commercial spaces. Its heavy-duty build, extended range, and multi-class efficiency make it your first line of defense in critical fire emergencies.

Stay safe, stay prepared — trust Fire Killer for industrial-grade fire protection.
